LICENSE AGREEMENT

The School of Ocean and Earth Science and Technology, University of Hawaii, and the Geodynamics Branch, Geosciences Laboratory, NOAA (hereafter referred to as "the Grantors"), hereby grant a perpetual, non-exclusive, non-transferable license to use the Generic mapping Tools (GMT) software to:

Institution Name: _____

Address: _____

_____

(hereafter referred to as "the Institution"), subject to the following terms:

1. **NO WARRANTY OF SOFTWARE AND MANUALS**. The Grantors and their officers and staff make no warranty, expressed or implied, and there are expressly excluded all warranties of merchantability and fitness for a particular purpose. The Grantors and their officers and staff shall have no liability with respect to consequential, exemplary, or incidental damages arising out of or in connection with the use or performance of this software and documentation. It is the Institution's responsibility to assure that this software and documentation is adequate for the user's purposes.

2. **NON-PROFIT OR GOVERNMENT AGENCY**: The Institution certifies that it is a non-profit educational/research institution or a Government agency.

3. **NO GUARANTEED ACCESS TO DATA**: The Institution understands that GMT as distributed with this license agreement does not include the "gmtfiles" underway marine geophysical database, or any other data. Certain data files (such as a world coastline) may be supplied with the GMT release, but the Grantors do not guarantee to maintain, update, or distribute to the Institution any such data.
