

You must enter your full First Name (initials not allowed), an optional Middle Initial, and your Last Name.

Enter an optional Company name.

Select a Country from pull down list. The Country chosen changes the address format from a US Domestic to an International format. If your Country is not on the list, scroll to the top of list and choose "<Entered Into Address>", then enter your Country into the last Address line.

Enter your address:

**US Domestic** - if country is United States of America

Address 1: you must enter this field.

Address 2: optional

City/St/Zip: you must enter a city, valid state, and zip code.

**International** - all other countries.

Address 1: you must enter this field.

Address 2: optional

Address 3 optional

Enter an optional e-mail address. E-mail addresses must have a '@' and have no spaces to be considered valid (e.g. myname@myhost.com).

You must enter a Telephone Number. US Domestic phone numbers must have 10 numbers (e.g. 718-555-1212). International telephone numbers can be any length. Enter an optional extension, if necessary.

Enter an optional Fax Number.

Complete the Survey by clicking on each pull-down arrow and making a selection. You must answer all of the questions.

Check all of the items that apply. You must check at least one box in each section. Click the "Finish" button to complete you Preview Registration.

Check the box next to each item that you wish to purchase. The price is automatically updated after each choice.

Enter the number copies of each item you want to purchase. Click the 'Quantity Pricing' button for bulk/discount pricing details.

You must make up and enter a 6 to 32 character password. This password is required to complete a manual registration and to re-install/re-register the software.

Choose how you would like to pay from the drop down box. The quickest and suggested option is 'Credit Card (by Internet: Best!!)'. Your credit card is charged and the purchased items are IMMEDIATELY ready for use. The other choices print an order form for faxing or mailing to us. This will cause a processing delay in registering your program.

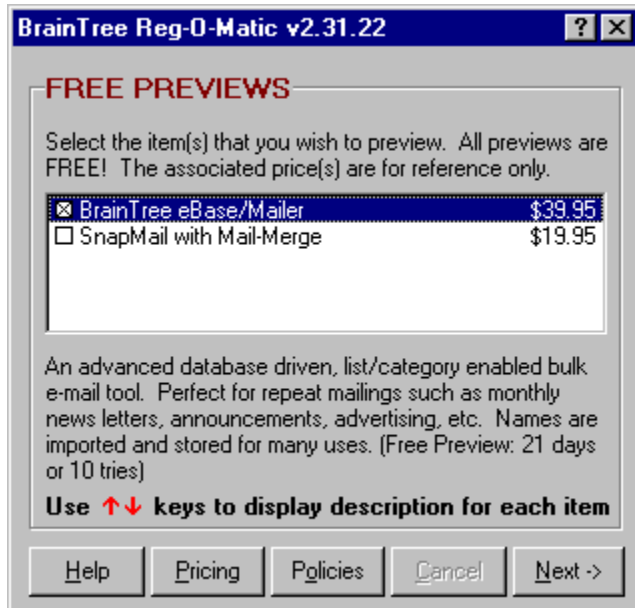

Enter the name of the Cardholder EXACTLY as it appears on the credit card.

Enter your complete Credit Card Number, with optional spaces.

You must already have a valid 'Payment Token'. Payment tokens are used to redeem multiple purchases of software and can only be used once.
