

Dimensia 3D Order Form

Please use this form to order your copy of Dimensia 3D, and receive the full licensed CD-ROM version of over 100 brand new, original stereogram images. These consist of four different variations of the 3D imaging technology, including one newly pioneered for this product. Dimensia 3D serves a dual purpose, as an interactive Image Album which allows the user to flip through each dazzling stereogram, and as a screen saver to turn the monitor into a window of three-dimensional wonder.
