Call 1-800-699-6395 to order.

10 am - 10 pm EST

Four Commercial Applications For The Price Of One!

The Phone Master was named a 'MUST-HAVE' by Windows Magazine (Winter '95 edition) and the Time Master was named 'Superior Shareware' by Windows Magazine in the March '95 issue!

You can have all these great products at an incredible discount price of only \$59.95!

You will receive the Phone Master, The Phone Master for DOS, The Time Master (which shares "to do" information with the Phone Master), the Multimedia Master, the Multimedia Collection and The Command Bar (create customized toolbars, organize/launch files easily and much more!) The Multimedia Collection is a special five disk set of video, sound and midi songs which you can play on your computer using the Multimedia Master!.
