IC2 (Total Contact Manager for Windows)

IC2 is simply the best contact manager available in shareware. Sophisticated **multi-user** contact management meets **complete time management** for Windows. IC2 has received coverage in **Windows Magazine** and **PC/Computing**. **Ziff/Public Brand** says "**+ a Trophy!**" -- TOPS in the PIM category! Plus, it's workgroup-enabled all for only \$49!

IC2 Data Manager

This utility lets you **add and remove custom fields** to any IC2 data file. Plus you get a complete SQL interface to your data for global operations like field swapping and smart updates for \$29.

IC2 Workgroup Manager

All the features of the Data Manager **PLUS user security** and administration for \$129.

Glass Bead Challenge (Windows Game)

A **completely-unique** game of strategy for one or two players. **Dominate your opponent** without capturing any pieces -- ! Play against your friend or one of several computer levels. 16 and 256-color support with digital sound and good looks. FUN for \$14.95!

Recycle MANIA! (Windows Game)

Catch falling **recycleables** in a Tetris-style **fun-fest!** Great fun, only \$14.95.
