Welcome to the
ALIEN Commemoration

The setup wizard has created a shortcuts folder in your Windows Start Menu.   Below is a list of the new shortcuts along with a description of each:

ALIEN Commemoration
MS-Plus! theme data file. This shortcut allows you to easily apply your ALIEN Commemoration theme settings.

ALIEN Screen Converter
Startup/shutdown screen conversion program.   You can quickly install or remove your replacement ALIEN logo screens with this handy utility.   *(not for Windows-NT)*

ALIEN Short Essays
Help file containing three essays about what the film "ALIEN" was all about: sci-fi and horror!   Read it at your leisure if you're literary minded.

ALIEN Theme Help
Help file covering several technical aspects of your theme's installation.   Recommended reading if you have any problems or questions. Topics discussed include:
        * StarFlight screen saver
        * ALIEN screen converter
        * Troubleshooting
        * Uninstalling your theme

ALIEN Web Resources
Folder containing several handy URL shortcuts to help you find some exceptional ALIEN sites on the WWW.
