

Enter your License Code for ^0

Please enter your Licensee Name, No. of Copies, and License Code exactly as we sent them to you. Your license code is based on your name and the number of copies of ^0 you licensed, so you must enter this information exactly as we sent it to you. Click on the right arrow to continue.

Note: It doesn't matter whether you enter your name or the license code in upper or lower case. You simply need to enter your name and license code exactly as we sent it to you, including punctuation (if any).
