

-----  
| **REGISTRATION FORM for TommySoftware® CAD/Draw - Version 001/USA** |  
-----

- Page 1 of 2 -

**Important: Please print this form unchanged and complete it fully. If you require more than one license, print it out multiple times. Please call or fax for information regarding site licensing and/or purchase orders from government agencies or Fortune 500 companies. We cannot complete your registration without your signature.**

Please send the completed registration form along with payment to the TommySoftware® partner:

**Pik A Program (tm)  
13 Saint Marks Place  
NY, NY 10003**

**Telephone (212) 598-4459  
Telefax (212) 228-5879**

Technical support is not available from Pik A Program. For any technical help, please contact TommySoftware® directly through CompuServe:

For business questions: CompuServe 73730,2117  
For technical questions: CompuServe 100020,3647

For those who do not have access to CompuServe, we offer our special paid hotline support. This allows you to send your questions directly to the developers of TommySoftware® CAD/Draw through the international TASS network. Please read the terms of use explained in the help system of TASS. The charges for this optional special support are as follows:

5 inquiry units TASS \$ 156.00  
10 inquiry units TASS \$ 250.00

I support the idea of shareware. I realize that registering shareware will help create more powerful, yet low cost, software. For registering this software, I will get a bonus disk including more fonts, more converters (DXF, etc.) for the TommySoftware® library, and more objects.
