

THANK YOU FOR TRYING SYSCHART

Thank you for downloading this copy of SysChart. SysChart is Shareware. This means that you can give copies of the *unregistered version* to anyone you want.

If you like SysChart, or if you use it often, I **trust** you to register it. How to do this is explained below. Upon registration you will receive the registered version, which includes more functionality and information.

Registration is only \$10, and can be done via CompuServe. To register online, GO SWREG and follow the instructions there. SysChart is number 5615.

To contact Gungaware, the producers of SysChart, mail user ID 100044,2352

Gungaware's internet email address is 100044.2352@compuserve.com

SysChart is (c) 1995 Gungaware.

DISCLAIMER

The SysChart programmer shall not be liable in any event for incidental or conincidental damages in connection with, or arising out of the use, installation or removal of SysChart.
