

Devil's Canyon

A scenario in the soon to be released Keshian Colonial Wars Campaign.

" Me' Lord the Novidus Gaurd is routed, what do you wish of the legion?
Charge `em by god, and take their hearts!"

Devils Canyon is a scenario in a campaign I am Working on. The campaign will be called "Keshian Colonial Wars" . This campaign countinues the story started in my Campaign " The Fall of Great Kesh". This Campaign happens a couple years before the battles in "The Fall of Great Kesh".
