Gangster USAENG patch 1-5-1999

This patch was created for the U.S. and U.K. release of Gangsters.   To install double click on the update icon that has been copied to your Windows desktop.   The patch will automatically update your Gangsters.

Fix list –

Snitches skill is now saved and loaded.
Snitches now work in scenarios.
Team name no longer gets changed when editing orders from the 'This weeks orders' report.
Game disk can now be in any drive.
ToolTip delay now set correctly.
'Team' no longer gets appended to lieutenant's name in non-English versions.
CD timer now gets reset correctly.
Some copy protection issues resolved.

Added:-

An asterix now gets prefixed to any hood's name if known, if he is flagged as being wanted by the police or FBI.

And the following.... not yet tested...

MPlayer - Synchronization errors at launch.
MPlayer - Other connection problems.
MPlayer - Numbers are not allowed to be a part of names.
MPlayer - Both game moderator and client can control time in the game.
MPlayer - Remove splash screens from multiplayer launches.
MPlayer - End of game does not take player back to MPlayer.com game room.
