**MATCH'EM**, © Copyright 1994 - All Rights Reserved, is distributed to you (the public) from us (the FRS dudes) through Shareware distribution mechanisms. **MATCH'EM** is copyrighted software which means you have a trial period to determine whether you want to keep **MATCH'EM** (and pay for the software) or test your new wastebasket program with it. Should you decide to keep **MATCH'EM** on your machine, you are obligated by law to pay us some cashola for **MATCH'EM**.

Now, the Shareware Police are pretty nasty people, so to help you avoid their wrath we have provided some incentives to help you do the right thing. If you send us a modest fee of \$15, we will send you one of 3 sets of new pictures & sounds to be used with **MATCH'EM**. \$20 will get you 2 sets, and \$25 will get you all 3 sets. Each set contains 12 new pictures & sounds.

If you, or your little ones, like **MATCH'EM**, then send in your payment, get some extra pics, and make everybody happy. The **MATCH'EM** registration (and payment) form can be printed from the main **MATCH'EM** menu 'Registration->Print Registration Form'.
