# Metallic Mysteries

Is it an aluminum food container, the grille from a 30's roadster, Sir Lancelot's chain mail, or a part of the solar panel from the Russian space station? Actually, it is whatever you choose to make it. Background abstractions of aluminum, steel, copper, and pewter - brushed, polished, or rusted. Various suggestive of universal concepts in business & industry, home and office, work and play, this is a disc you will call on again and again, as you discover its unlimited potential.
