

Welcome

This CD offers you an ***Evaluation copy of Turnpike v3.01***, the latest version of our Internet access software for Windows - together with Microsoft Internet Explorer v3 for Windows 95 and v2.1 for Windows 3.x for browsing the Web.

With this free Evaluation software, you can send and receive email and news and use other Internet facilities for 30 days from installation.

To take advantage of this software, you need a dial-up Internet connection. So we're also offering you a 30-day free trial with Demon Internet, today's largest and fastest-growing Internet provider in Europe and the market leader in low-cost Internet access in the UK.

To find out more, start to install Turnpike. Information about Turnpike and about how you take up the 30-day free trial will automatically appear.
