

To deal with every Employment issue completely and effectively, you need more than just a personnel records system.

You need a flexible and comprehensive employment and personnel control system. The Employment and Personnel Desk™ offers.....

- **unlimited expert legal advice, 24 hours a day, for the cost of the call**
- **definitive contract statements, terms, conditions, policies and procedures**
- **a records system you can easily visit or interrogate**
- **more meaningful absence and attendance control**
- **defences against industrial tribunal claims**
- **powerful recruitment tools**
- **network capabilities**
- **regular updates throughout your subscription**

..... for less than most ordinary record systems.

This special edition of the Employment and Personnel Desk™ is a demonstration AND a fully working control system. It offers all the functionality of *Version 2*, but is restricted to hold up to ten employee records. See ‘Essential Information’.
