

This Program is Designed to be used on a Windows 3.1 or Windows 95 system.

## **USA FACTS - Freeware version**

Vendors - This version may be distributed freely provided 2 conditions are met:

- 1) All of the files as found in the original zip file are contained in the distributed copy.
- 2) The author is notified by e-mail (RTCCPU@AOL.COM) or by US Mail (R. Carman  
7 Roda drive, Mastic, New York 11950) prior to distribution.

### **Description...**

The program contains 5 levels - 2 playable and 3 viewable.

Level 1 - States - A state name appears in the top right and the player must left-click on the state on the map.

Level 2 - Capitals - A Capital name appears in the top right and the player must click on the correct name of the state.

Level 3 - State Flags (Can only be viewed in this version.)

Level 4 - State Flowers (Can only be viewed in this version.)

Level 5 - State Nicknames (Can only be viewed in this version.)

Each level has a Study Mode which allows for learning with labels revealed on a map or being able to call up a related fact by clicking on the State name. 256 color graphics and music are used to enhance the game.
