

## About Madame Zelda

This program was written through the joint efforts of MerlinWare™, VisionWare™, and Melissa Perry. Madame Zelda is copyrighted 1996 by Mark Tabler, Melissa Perry, and Michael Dase. All rights reserved.

This program is SHAREWARE . Translation: You have 120 days (4 months) to play with this program, and do what you will with it. In that time, you are encouraged to give it to friends/family/teachers/coworkers/bosses/ everybody who has a computer. However, at the end of that 120 days, you must register the program (see MWZELREG.WRI for more info) or delete it. Should you decide to register, you can still give copies of the shareware version to everybody, but the Registered Copy belongs only to you. That's the one you can't give to anybody.

Now that we're through with all this incredibly dull legalese, I can say this: Enjoy!
