Audio Cipher Puzzle Editor
by **Mosquito Hawk Software**

The **Audio Cipher Puzzle Editor** program allows you to turn ordinary **.WAV** sound files into magnificent Audio Cipher puzzles!   It also gives you the ability to extract the **.WAV** sound files from Audio Cipher puzzles so that you can add them to your collection of **.WAV** sounds.

Additional Audio Cipher puzzles may be obtained from CompuServe or any other quality shareware distributor.   To locate Audio Cipher puzzles on CompuServe, use the IBM File Finder and do a keyword search for **AUDIO CIPHER**..   To access the IBM File Finder type **GO IBMFF**.

The Puzzle Editor has two edit boxes;   The Puzzle Title Edit Box and the Quote Text Edit Box.

The Puzzle Editor also has the following five buttons:
Load Puzzle   Save Puzzle   Load WAV   Save WAV   Play.
