

Introduction

FracView displays the Mandelbrot set and allows the user to zoom in on a region of interest.

Required Hardware and Software

Microsoft Windows 3.1 or later running on a '286, '386, '486 or Pentium computer. An 8x87 compatible coprocessor is highly recommended.

Installing FracView

Run `SETUP.EXE` from Windows

Running FracView

After starting the program, if you need further instructions, press F1 for help.

Distribution and Payment

FracView may be freely copied without cost, provided it is not changed in any way. If you find the program useful, please send \$7.50 to:
