HANG-EM HIGH   V3.0

To Play : You have 6 chances to solve the word or phrase.   Play just like the traditional game of Hangman.   Select the letter by clicking on the appropriate letter button in the lower portion of the screen.

To Select a New HEH file : Click the file name displayed in the menu bar or select FILE from the menu bar then click WordFileList and select from the list of HEH files listed in the filelist box.

HEH GameMaker

Avaliable in Registered Version ONLY.

Create New HEH File
   To Create a new HEH file, click FILE on the menu bar and then click HEH GAMEMAKER.   Now, just enter the words or phrases (one word or phrase per line). Make sure you enter only characters of the alphabet.   No numbers or punctuation marks.   Also, enter no more then 30 letters or spaces total per word or phrase.

Save New HEH File
   To save your new Custom.HEH file, click the SAVE button.   That's it.   Now your new HEH file is saved under the name of CUSTOM.HEH.

Blood
