bay, fl palm bay fl my rig is a collins kwm2a and my antenna is a  
dipole. my age is 74 and i am retired. my hobbies are hamming and  
computer projects. I have several countries towards my dxcc. 73 and  
cuagn om. tnx fer the qso k w4cwb de kb4wit am also located in palm  
bay. say would you like to give a speech to my rotary club? we're  
looking for speakers for our wednesday morning 0715 meeting. usually  
we're looking for community oriented stories. I have had a local ham  
club president speak, also a wildlife preserve board member. we will  
also have an volunteer ambulance squad chairman and the treasurer of a  
venture capital club speak. k kb4wit de w4cwb yes sure I could  
speak but my talk would about how it was growing up in New York in the  
1920s. kb4wit de w4cwb yes sure I could speak but my talk would about  
how it was growing up in New York in the 1920s. I have lots of  
stories about how it was common to find 2 or 3 dead horses on the way  
to school each morning. Also how we kids had to climb over 12 foot  
high fences to play on the school playground on weekends. They locked  
the gates to protect from vandals. Interested? w4cwb de kb4wit yes  
sure I will make arrangements with our secretary to put you on our  
schedule. you will get a free breakfast if you wake up on time, meet  
me at 0710 in the ramada inn lobby, and can speak for 15 or 20  
minutes. k kKb4wit kb4wit de w0jne w0jne how? w0jne de kb4wit ur
