

years old in dog years. which school did u say you graduated from?
canine u? hi hi k ta7cft de llftw that was my dads school. he was
a dentist. hi hi k llftw de ta7cft well a child prodigy like u must
be an extra class operator or not? how come we are plugging along
here at only 5 words a minute? k ta7cft de llftw u wont believe this
but i like to keep my feet on the ground every once in a while. I
normally send code close to the 35 wpm limit and receive it close to
70 wpm or so. but the atmosphere is really rarified at those speeds.
I find i can only talk to other geniuses or code reading machines.
know what i mean? k llftw de ta7cft no i dont believe u as u know i
am from missouri. why dont u show me? wait 1 minute, ill put on my
microcraft code reader just in case u can really send that fast. will
also get out my code conversion software kid to send u a copy of
todays front page newspaper. ready? k
