

solid copy gloria - ur first is gud. No problem copying u. sri om but I did not copy that - pse repeat. there is a lot of qrn on the band tonite. am running only five watts. so hw? solid copy that time - ur code is vry easy to read. hw long on band? r u a yl? k my name is gloria gloria - just got my ticket a short time ago - hope my fist is ok. ur sig is five five eight hr in milwaukee - copy? k sri not yl - am xyl - bk to u. k much better copy that time om. ur thousand watts doing a fb job. ur rst is three four four hr in colorado - hw is wx there? k oh no - my second rig is having problems too - looks like it is overheating -- these high power rigs are for the birds - see u later guy - best seventy three k fb cpy oko - yes we brew a lot of beer in this city - but i dont like it much hi hi - ur sig still gud - rst five seven eight - so hw? k nice meeting u george - yes i can hear the qrm on the band - but ur sig is getting thru ok - can u pse qsl? seventy three fer nw k fb copy gloria. ur sig is gud. sri u dont like beer since ur from beer city - maybe some saki wud be better hi - it was nice to talk to u - hpe to see u agn soon - much tn timer fer fb qso - seventhree es eighty eight from oko k ur qrp rig is doing a fb job here in mequon - what is ur name? my name is george bk to u k solid cpy hr in wisconsin - sri but i don't speak german - know a few words only. like gud tag. band seems crowded tonite with a lot of europeans on - so hw? gutten tag to u also. ur german is fb hi - it is late here because of the time difference but i like to stay up for the dx hi - so hw? fb copy george - ur sig holding up fb - i teach college math like calculus - also like astronomy too - ham radio is nice when the clouds are out hi - hope to see u if u ever visit germany - best seventy three fer now - oh no - my second rig is having problems too - looks like it is overheating -- these high power rigs are for the birds - see u later guy - best seventy three k solid cpy hr - rig hr is heath running fifty watts to dipole ant at forty feet - so hw? fb cpy my name is sam sam - i am operating portable from my car - this is a lot of fun but u must keep eye on road hi - so hw? m/five k gutten tag to u also. ur german is fb hi - it is late here because of the time difference - but i like to stay up for the dx hi - so hw? solid copy gloria - ur fist is gud. no problem copying u - best eighty eight es seventy three. k solid copy gloria - ur fist is gud. no problem copying u - best eighty eight es seventy three to u k my name is gloria gloria - just got my ticket a short time ago - hope my fist is ok. ur sig is five five eight hr in milwaukee - cpy? ur sig is five nine nine hr in virginia - what is ur name? bk to u k name here is george george i am an engineer there are lots of french stations on band tonite - i wonder if u can hear them? k do u hear a noise on my signal? my new rig seems to be humming a little hope is doesnt go up in smoke like other one - pse comment. qrm is getting worse - ur cpy is ok - yes i can qsl send me ur adress hans hpe u qsl too hw? k nice meeting u george

->g worse - ur cpy is ok - yes i can
qsl send me ur adre
