[IMG launches The Inside Games Forum on eWorld](#)

By the time you read this, eWorld, the new online service from Apple Computer, Inc., will (hopefully) have been launched. IMG has its own forum on eWorld called Inside Games. The Inside Games forum features active message boards, weekly game chats, the Inside Games Magazine (featuring Weekly News, Inside Mac Games, and Inside Games Magazine), Publisher Forums (talk directly to software publishers), the Clue Corner (walkthru's, FAQ's, hints, tips, and more), the Shareware Library, the Product Demos Library, and much more.

To access the Inside Games forum, use Shortcut: Inside Games. If you do not have eWorld and would like to receive a complimentary eWorld Start-Up Kit, please call 1-800-775-4556.
