

Children's

50 States

Color images of all the US states include borders, capitals and state birds and flowers.

(PICTs by Susan Metalis)

AmoebArena

After war is abolished, disputes are settled in the AmoebArena. Strategy counts more than speed.

(Application by Casady & Greene)

Math Dittos 2: Subtraction

Make customized subtraction drills and exercise sheets. PDF

(Application by Steven Wood)

Master Spell 3.1.1

Practice spelling words your computer says, and record score history, trouble words and more.

(Application by Jay Lichtenauer)

NS-Shaft 1.2

Make your way down a shaft by jumping from ledges, but don't stand on the revolving floors too long.

(Application by Nagi-P Soft)

Sound Toy

Make music by centering the mouse over shapes. Each shape makes a different sound.

(Application by Todd Robins)

Talking Robot

The robot will say anything you type on the screen. HC, 7.5+

(Application by Richard MacLemalle)

Trilite

Get three colors in a row within a tic-tac-toe design. The trick is you can only have three squares lit at once.

(Application by John Mauro)

Trolls 1.2

Rearrange the grid to make trolls run into each other and fall down.

(Application by Mark Cenicola and Bob Nystrom)

Word Challenge

Spell as many words, from eighteen displayed letters, as possible in three minutes. HC

(Application by Richard MacLemalle)

Requirements

7.5+ = System Software 7.5 or higher, PDF = Adobe Acrobat Reader, HC = HyperCard Player
