SRI - Business

ConversionCalculator 2.1

Figure it out

This is not just any calculator. It converts your information into seven units of measurements. Translates between picas, points, yards, millimeters, yards, inches and more. There are hundreds of potential combinations.

Library Catalog 1.0

Bookworms

This program is perfect if you are in charge of a company library. Catalog reference books, periodicals, magazines and more.

Stock Tracker 2.0

Riding the bull

Record and monitor your stock sales and purchases with this excellent business program.

SRI - Children's

Basic Math 4.0

Squeak

Mr. Mouse is running late for school and he needs your help to get there on time. He moves closer to school each time you answer an addition or subtraction problem correctly.

GoldPusher 1.4

Eureka!

Move a pot of gold to the end of the rainbow in this colorful game. It's not as easy as it sounds — obstacles and monsters impede your progress. Use iron balls, rocks, balloons, spades and other objects to move the pot past traps, pits and creatures.

Koji the Frog 2.0.3

Ribbit, ribbit, ribbit

Can you help Koji eat his lunch? He catches insects. Watch out for the snake, car and gopher - they are out to get you.

Ultimate Addition Practice

Simple math

Teachers and parents can print out work sheets of addition problems with

this handy program. Packed with customizable features, like adding pictures to your pages.

SRI - Desktop Publishing

Bright Ideas® Clip Art

a Software of the Month Club® exclusive!

This month's clip art collection contains 15 color and black-and-white images, including a candle, an eagle and a mermaid.

Bright Ideas® Clip Art

a Software of the Month Club® exclusive!

This month's clip art collection contains 15 color and black-and-white images, including a car, a heart and a grasshopper.

EyePoppers

Repeating patterns

Use this collection of colorful patterns as desktop patterns or Web page backgrounds. The patterns are seamless, so you don't see individual blocks when used as backgrounds.

SRI - Education

Archaeology HTB

Read about archaeological sites like the Valley of the Kings and archaeologists like Sir Henry Rawlinson.

Philosophy HyperTextBook 4

Learn about philosophy

This is a thorough reference for philosophy students. Learn about the great philosophers, including Plato, Nietzsche and Rousseau. Review their ideas and their impact. Extensive references to philosophers and philosophy.

RubikSolver 1.1

Colored cubes

Solve Rubik's Cube with this simulation game. Packed with features, including Rotate, Scramble, Solve, Zoom, Save Patterns and Solutions, Print and more. This is a fun program for those who never figured out how to solve Rubik's Cube.

Sociology HTB 4
