The logo features the number '33' in a large, grey, stylized font inside a white circle. To the right of the circle, the words 'METAL PRODUCING' are written in a bold, black, sans-serif font. Below this, a red horizontal bar contains the text 'NEWS & IDEAS FOR PRODUCING STEEL, ALUMINUM, AND OTHER METALS' in white, uppercase letters.

NEWS & IDEAS FOR PRODUCING STEEL, ALUMINUM, AND OTHER METALS

The background of the entire page is a close-up, slightly blurred image of a CD-ROM. The CD's surface is covered in a barcode pattern. Overlaid on this background is the text '2002 BUYERS GUIDE' in a large, white, sans-serif font with a slight drop shadow, making it stand out against the darker, textured background.
