WORDSIN,C,75	WORDSOUT,C,75	FILENAME,C,40
Intro		C0001
Hi my name is Erica	to have a great time	H0001
the first time you take your	we'd like to quit	M0001
what are web pages and how	found on web pages	H0002
so let's say that each of	and it is free	C0002
Now that you have a better understanding		H0003
here I am at the web page	as you build your own	M0002
bet you're kind of getting	those AOL tools	H0004
the system requirements	or faster modem	C0003
now let's establish what	a wonderful web page	C0004
	a recommendation perge	
Are you a person that does	and there ya go	C0005
when you create a page in 123 publish	of these web pages	H0005
so let's explore hometown	using AOL hometown	M0003
you've seen web pages	we go through this training	H0006
		C0006
now the first step in	and navigation of it	H0007
as you plan your web page	the color country chorus	C0007
now let's talk about the design	and visit your site	H0008
so the best way to	and perhaps a few logos	C0008
Nove the avelone of the ave		00000
Now there's one other	very first web page	C0009
so now that we know	do this effectively	H0009
now there are several size and	than one long page	C0010
now as we go about adding	nice navigational experience	H0010
so what are the basics	is set from the beginning	C0011
so let's quickly review	your own web page	C0012
now there's on tip that	viewers into your web site	H0011
now planning your web page	this a lot more	H0012
3,744 34,745		
Intro		C0013
so we've planning out the	so let's get started	H0013
now I'm in my AOL	upon business topics	M0004
Also fined their environment to the	Ale a managed at the second	140005
the first thing we get to decide	the purple divider	M0005
now let's move to step	through it before	M0006

there is one more thing	so let's leave that checked	C0014
and let's see what we've created	to add one of these	M0007
now in order to add	for your web pages	C0015
now that you know a little about so to open the AOL editing	an image that you have and then our links	H0014 M0008
I think this is a great so you've careted your very	can visit your web pages using 123 Publish	M0009 H0015
intro I'm really excited so with easy designer you	you how to do this a great place to start	C0016 H0016 C0017
So let's go ahead and	can see the immediate result	M0010
the next button is now let me give you a few so let's start editing	and splashy as I can is spelled correctly we have our text	M0011 H0017 M0012
whoah I don't quite	thingthere we go	M0013
so you can see how much when you add links to your a few things when adding to add links to our text	links to your web page your set of pages those valuable links looked through it	H0018 C0018 H0019 M0014
alright, I think I'm	going to go live	M0015
so let's move back	adjust this page a little bit	M0016
so I've added the so we've gone ahead and let's move to my easy designer is such an	as an actual page example of this link through both pages building terrific sites	M0017 H0020 M0018 H0021
Intro now that you're a pro at creating I've talked a bit about	to those services keywords is Verio	C0019 H0022 C0020
so let's say that you have some using FTP you can both	at a hosting service my FTP space	H0023 C0021
let's move to the keyword	of a scroll bar	M0019
so here we are in our	check it out right here	M0020
now let me show you how	ready to edit them	M0021

so we've created several you have several options so you can see how easy	show you some of these can find your page visit your web site	H0024 C0022 H0025
Intro we've built many web pages the responsibility of	at the same time you are involved	C0023 H0026 C0024
I've created a page in 123 Publish so let's move down to the	easy designers great tools and we're set	H0027 M0022
now onw other thing I'd like	and we're done	M0023
now you can manage your web so let's go ahead and get	to a new community add pages site	H0028 M0024
managing you web page is not noe let me show you a lot of web page management	as you start managing managing your web pages continue to return	H0029 M0025 H0030
Intro without a doubt what makes the so how do we go about so what makes HTML work	me show you how behind the scenes multimedia to your web page	C0025 H0031 C0026 H0032
there are three ways that	your sharing with them	C0027
so how do we go	to add a movie to your web page	C0028
having a silent web page sound for the web can	add them to our web page the streaming audio	H0033 C0029
so where can get all these first check out what's on	how you can find these of what's available	H0034 C0030
so here we are in our	with your web page	M0026
isn't this a really fun section so to add an animated	your page seem alive fun page going	H0035 M0027
how many times have you taken now I could go to the in this section we've had a	a little on this feature to do with these pictures see ya on the web	H0036 M0028 H0037
