

Ranma Invaders: Akane's Revenge

Game Instructions

Introduction:

The life of Akane Tendo has never been one of luxury or at least happiness. First her father marries her to a pervert half-girl. On Top of that all of the boys at the high school attacking her each day for a date with her don't help. And then there are all of Ranma's *other* fiances, trying to kill her any time she gets anywhere near them. Having finally had enough, Akane decides take care of her problems on her own, and exact her revenge for years of torture...
