## Words, Music & Arrangement by LUNA SEA

*Kagayaku koto sae wasureta machi wa Neon no kouzui Muyuubyou no mure*

(This town that has forgotten even [its] shine

[Is filled with] neon floods

[And] sleepwalking crowds)

*Kusatta yabou no fukidamari no naka Miageta yozora wo kirikizandeita biru*

(In the snowdrift of rotten ambition

[Stood] buildings that cut up the towering night sky into pieces)

*Yume no nai Kono sekai*

(No dreams, no hope in this world)

*Kagayaku hoshi sae mienai tokai de Yozora ni owari wo sagashimotomete*

(In this city where even twinkling stars cannot be seen

I search for the end in the night sky)

*Kono yo ni kazashita hosoi yubisaki Kotae wo sagashimotometeiru*

(The slender fingertip that I held up [over my head] this night

Is searching for an answer)

*Yurete yurete ima kokoro ga Nani mo shinjirarenai mama*

(Now my uncertain mind Cannot believe in anything)

*Saiteita no wa my rosy heart*

(What bloomed was my rosy heart)

*Yurete yurete kono sekai de Aisuru koto mo dekinu mama*

(In this uncertain world Even love is not possible)

*Kanashii hodo Azayakana Hanabira no you ni*

(Like petals that are mournfully bright)

*ROSIER Aishita kimi ni wa ROSIER Chikadukenai*

(You whom I loved I cannot get closer)

*ROSIER Dakishimerarenai ROSIER Itoshisugite*

(I cannot hold tight Too dear [to my heart])

*I've pricked my heart.*

*By the time I knew, I was born*

*Reason or\* quest, not being told*

*What do I do, What should I take*

*Words "God Only Knows" won't work for me*

*Nothing starts Nothing ends in this city*

*Exists only sever lonesome and cruel reality*

*But still I search for light*

*I am the trigger, I choose my final way*

*Whether I bloom or fall, is up to me*

*I am the trigger*

*Yurete yurete ima kokoro ga Nani mo shinjirarenai mama*

(Now my uncertain mind Cannot believe in anything)

*Saiteita no wa my rosy heart*

(What bloomed was my rosy heart)

*Yurete yurete kono sekai de Aisuru koto mo dekinu mama*

(In this uncertain world Even love is not possible)

*Hakanaku chitheyuku no ka Hanabira nanoka\*\**

(Is it going to scatter fleetingly Like petals)
