

# Wish

*I wish for... Konna yoru ni wa, Yume mite,*  
**I wish for... A dream in this night**  
*I wish for... Nakushita subete ni, Ima mo.*  
**I wish for... All that was lost, even now**

*Tameiki ga toki o kizamu Nagai yoru no tochuu*  
**A sigh slices through time, in the middle of a long night**  
*Omoidasu tabi Anata no no yume kurikaesu*  
**The more I remember, the more your dream repeats**  
*Kodoku dake dakishimete*  
**Hugging only loneliness**  
*Eien o hoshigatte mo Setsuna o kanjiteru*  
**Even though you want eternity, you feel the moment**  
*BLUE na kimochi chiribameta toki no naka*  
**A blue feeling in a (dusty?) time**  
*Kotae sae nai mama de*  
**Without even an answer**

*Hitori kiri no jibun ga ita Kurai meiro no naka*  
**I used to be alone, in a dark maze**  
*Jibun no ibasho sae mo Mada wakarazu ni*  
**I still don't know where I am**  
*Ikibasho mo wakarazu ni*  
**Or where I'm going**  
*Ashita sae kowagatte ita Sameta hitomi no mama*  
**I even feared tomorrow, with my cold eyes**  
*Dakedo ima wa Surikireta kono yume o*  
**But even now that worn out dream**  
*Yasashiku dakishimete*  
**I hug gently**

*I wish for... Konna yoru ni wa, Yume mite,*  
**I wish for... A dream in this night**  
*I wish for... Nakushita subete ni,*  
**I wish for... All that was lost**  
*I wish you... Ima mo.*  
**I wish (for) you... even now.**
