1.21 BEM

Episode #018
BEM
David Gerrold
Original Air Date: 09/14/74

A Pandron named Bem is assigned aboard the Enterprise. Starfleet is being accommodating to the Pandron government, since the Federation wants to gain their much-needed medical technology. Bem accompanies Kirk, Spock and Sulu to a new planet and a series of events occurs, calling into question Bem's nature. It turns out that Bem is a colony creature made up of several independently moving parts. He interferes with Kirk's mission just enough to get himself captured in order to observe how Kirk handles the situation. Complication matters is the world's protective alien entity that uses the planet as a living laboratory to raise the inhabitants. In the end, a series of misunderstandings gives way to fresh knowledge and everyone departs with a lesson learned.
