

# Enhance your Microsoft Greetings Workshop creative designs with Professional Photography!

With images from the Leader in Royalty-Free Digital Stock Photography.

## A Powerful Edge.

PhotoDisc award-winning photos give you a fun and exciting edge for personal creative projects. From your own greeting cards, web pages, newsletters, presentations and more. Now you can get more visible impact with PhotoDisc images. **The enclosed images** from the PhotoDisc collection of stock photographs is instantly available to you at the touch of a finger--right from your Greetings Workshop CD-ROM. These images will jump-start your imagination as you create professional appearing designs. When you are ready for more images or need high resolution images contact PhotoDisc on-line or over the phone.

## We've Taken Care of Everything For You.

As the highest-rated producer of professional digital photography, PhotoDisc has the keys to getting the image right, every time. Each of the photographs is chosen from the portfolios of award-winning photographers, carefully scanned with the highest quality scanning technology, color-corrected and stored in full-color for dazzling impact.

## Ready for More?

The PhotoDisc digital photography series currently features over one hundred high-resolution Volumes on CD-ROM with a broad offering of subjects and over 50,000 images available on-line. Approximately 4,000 new images are released every quarter. PhotoDisc Volume subjects range from Business to Italian Fine Art to American Retro images and Everyday Objects.

***In a hurry? Look to our World Wide Web site for incredible image searching tools and immediate single image purchase and downloading!***
