Screen Gear has the following pricing.

1-4 single user licenses, \$15 per user

5-9 single user licenses, \$13 per user

10+ single user licenses, \$10 per user

Site license, \$150 covers your organization within a 160 kilometer/100 mile radius

An UNLIMITED resale/distribution license costs \$250. With this license you can make your own customized screen savers and sell them royalty free!

If you are a registered user of a previous version of Screen Gear you can use that information to register this version of Screen Gear!

Paying for Screen Gear is relatively simple. Open the "Register" program that accompanies Screen Gear. Enter your name, your email address and the number of single user licenses you desire for each program you wish to purchase (or Site or Worldwide licenses). Save or Copy or Print the data from the Register program and send the data and payment to Kagi. Kagi handles all of the payment processing.

If paying with Credit Card or First Virtual, you can email or fax the data to Kagi. Their email address is sales@kagi.com and their fax number is +1 510 652-6589. You can either Copy the data from Register and paste into the body of an email message or you can Save the data to a file and you can attach that file to an email message. There is no need to compress the data file, it's already pretty small. If you have a fax modem, just Print the data to the Kagi fax number.

Payments sent via email are processed within 3 to 4 days. You will receive an email acknowledgement when it is processed. Payments sent via fax take up to 10 days and if you provide a correct internet email address you will receive an email acknowledgement.

If you are paying with Cash or USD Check you should print the data using the Register application and send it to the address shown on the form, which is:

Kagi 1442-A Walnut Street POB #392-M3 Berkeley, California 94709-1405

USA

You can pay with a wide variety of cash from different countries but at present if you pay via check, it must be a check drawn in US Dollars. Kagi cannot accept checks in other currencies, the conversion rate for non-USD checks is around USD 15 per check and that is just not practical. If you have a purchasing department, you can enter all the data into the Register program and then select Invoice as your payment method. Print three copies of the form and send it to your accounts payable people. You might want to highlight the line that mentions that they must include a copy of the form with their payment. Kagi can not invoice your company, you need to act on my behalf and generate the invoice and handle all the paperwork on your end.

Please do not fax or email payment forms that indicate Cash, Check or Invoice as the payment method. As far as we know, there is still no technology to transfer physical objects via fax or email and without the payment, the form cannot be processed. Payments send via postal mail take time to reach Kagi and then up to 10 days for processing. Again, if you include a correct email address, you will hear from Kagi when the form is processed. Screen Gear has a protection scheme and when you pay, we tell you how to indicate to Screen Gear that you have paid the registration fee. If you do not have an email address, please enter your complete postal address and please remember, we do not know what country you live in so please enter that into the postal address also.

Assuming that Kagi provides you with the registration code: If you do not have an email address you should consider selecting the Postcard Receipt so that Kagi can inform you of your registration code. Kagi transmits the registration codes via email and paid postcard receipt only.

Once you receive your registration number for Screen Gear do the following:

Click the "I've registered" button in the "Registration" section of the "preferences..." menu. The registration information has to be typed exactly as it appears in the registration document that Kagi provided as it is case sensitive. Alert, after you have received your registration information please keep it in a safe place.
