TROUBLESHOOTING - *installation*

Cannot find VBRUN300.DLL

This program requires the *VBRUN300.DLL* library file. It is not distributed with the program because it is a very common file. This file can be found at most sites which distribute shareware, or directly from the GOMER website at:

<http://www.clever.net/gomer/>

Problems running SETUP.EXE

If you encounter problems with the setup program, Gomer can be installed manually. The setup program is only used to copy the files to the appropriate directories and create the program group.

For other problems, contact Stoopid software via e-mail : gomer@clever.net
