Today's Announcements:

**In Rasario, Argentina, horses are required to wear hats in hot weather.**

# SILLY STAMPEDE

Horses move at four different speeds: walk, trot, canter, and gallop. Let each crew member demonstrate what each of these "gaits" looks like.

(The rest of the group can make clip-clopping sound effects!)

A mule is a mix of a horse and a donkey. Can you mix two animals to create a new one? What would your new animal do? What would you call it?

How does  
BUC'S SISTER WEAR  
HER HAIR?

In a pony tail!

Today's Bible story is about two spies.

Be spies right now!

Look around and see if you can spy the following:

U three cowboy hats

U a mountain

U two people who are laughing

U five people wearing cowboy boots

U the crew wearing the most green

ASK

STATION LEADERS:

Tell about a time when you rode a horse (it's OK if it was a stick horse or rocking horse).

WHAT DID BUC TAKE  
WHEN HE HAD A COLD?

Cough strump

Today's Announcements:

# SILLY STAMPEDE

When the Israelites shouted, the wall around Jericho just toppled over! Wow! What do you think would happen if your entire crew shouted? This might be one activity you *don't* want to try! Instead, make up a silly cheer for your crew.

Bison, like Ranger, like to take dust baths. Does that sound more fun than a regular bath? If you could take a bath in something other than water, what would it be and why?

**Make up a song about Avalanche Ranch, to the tune of "Home on the Range."**  
**We'll even start you off:**  
**Av-Ava-lanche Ranch**  
**Where the...**

**ASK**

**STATION LEADERS:**

What's something that makes you yell really loud?

Today's Announcements:

Bald eagles aren't really bald—they just have white feathers on their heads.

# SILLY STAMPED

WHAT DOES  
SKYE LIKE TO  
WRITE WITH?

A bald-point pen

Bald eagles like their homes—they may even use the same nest again and again. One eagle's nest had been around for 34 years and weighed about 4000 pounds! That's as much as two small cars! What do you like the best about your home?

**ASK**

**STATION LEADERS:**

What's the most awesome thing you've ever seen?

Eagles are kind of like Superman—they can fly and have awesome eyesight. Which superhero would you like to be? Why?

**Who in your crew acts most like a...**

- ✕ bucking bronco? (Find someone with lots of energy.)
- ✕ cattle dog? (Look for someone who keeps everyone together.)
- ✕ bison? (This person might be very strong.)
- ✕ eagle? (Who seems to fly from one thing to another?)
- ✕ prairie dog? (You might find someone who's quiet.)
