

Winchester Soft CodeBlocker Registration Form

CodeBlocker can be licensed for **personal** use or for **commercial** use.

The software can be installed and used on one or more computers by the licensee when licensed for personal use.

Commercial use requires that the licensed quantity be equal to the number of workstations that use the software OR the number of individuals that use the software, whichever is less.

CodeBlocker can be licensed as following:

Details on Registering CodeBlocker

When you register CodeBlocker(TM) you will receive a registered copy of program that will not show the shareware screen from displaying at start-up and removes codeblocks limits.

The registration includes a 3.5 disk that contains the most current version of Winchester Soft CodeBlocker.

System Requirements

CodeBlocker requires, upon the versions, Windows 3.1 or Windows 95 or Windows NT version 3.51 or greater and, obviously, Microsoft Visual Basic 16 or 32 or Microsoft Access 2.0 or 95

Credit Cards

Any customer who would like to use their VISA, MasterCard, can order by faxing numbers above or mailing as above mentioned.

Payment Terms

We can accept only payments by credit cards mentioned above. Purchase orders are accepted from major companies, governments, and universities.

Requests will not be processed without proper tax or shipping charges. Credit card orders will be adjusted.
