

Oh Boy Berwyn
Blue Bouncing Ball
Thunder and Lightning
Copyright (c) 1994 by John Owen

Three new Windows screen saver and wallpaper sets from Owen Associates.
To install them just copy them to the Windows directory. They will automatically appear on the control panel desktop under screen savers and wallpapers.

To set them up select Control Panel from Main window, then select Desktop. Scroll through the list box under screen savers or wallpapers to find them. To activate a wallpaper simply select it. To activate a screen saver select it, and select setup. It is recommended that you start with the default settings.

Oh Boy Berwyn and Blue Bouncing Ball are SHAREWARE products. If you use them for more than 30 days, you Must register them.

To register please send \$15.00 in US funds to:

Owen Associates
4 Interstate Street
Suffern, NY 10901

You will receive registered copies of the above programs plus three additional registered screen savers and wallpapers.
