

SuperLok for Windows 95

by

Kittisak Kulvichit,M.D.

What is SuperLok?

SuperLok is an encryption programme which uses the same algorithm to encrypt and decrypt files. The first time you process the file, the file will be encrypted. To decrypt the file, repeat the process with the same password. SuperLok's product line comprises SuperLok for Windows 3.1x version 1.8 (16 bit), SuperLok for Windows NT version 1.0 (32 bit), SuperLok for Windows 95 version 1.0 (32 bit), SuperLok for OS/2 (under development) and SuperLok for PowerMac (N/A). If you would like a copy of any of these, please contact the author (see below for how to contact the author). SuperLok is a product of Bits & Bytes for Sight

How to install

Simply copy superlok.exe and superlok.hlp into the same directory. Then you can create a shortcut on your desktop or add it to the start button.

Is there any technical support?

Yes, I will try to do my best to give technical support via email. All you have to do is to register your self as a user via email. No fee is required.

Can SuperLok be freely distributed?

Yes, SuperLok is basically a freeware. However it is copyrighted. You can give a copy to your friend providing all files, superlok.exe, superlok.hlp, readme.wri and treadme.wri, remain intact in their original condition.

What to do if you like it?

SuperLok is a product of Bits & Bytes for Sight. BBS is a non-profit foundation fighting unnecessary blindness in Thailand. If you want to help those blind people, please donate your money to

LAMPANG EYE FOUNDATION
140/89 Duangrat Rd.
Suandok, Muang District
Lampang 52000
Tel: 66-54-217304

Or:

Department of Ophthalmology

Chulalongkorn Hospital
Rama IV Road, Bangkok 10330
Thailand
Tel: 66-2-2564142

Your participation will encourage the author to continue producing good quality programmes.

How to contact the author

If you have any comments, feedback or bug reports, or need technical support, you can reach me at

Kittisak Kulvichit
2-2820 Heather Street
Vancouver, B.C.
Canada, V5Z 3J6

Email: kittisak@unixg.ubc.ca
kittisak@freenet.vancouver.bc.ca

I would like to ask every user to register your names. A registered user will be notified when a new version or a new programme comes out. No money or donation is needed to register, just send me your name and contact address.
