

Tration Version 4.0, A MultiMedia Game of Concentration

Thank you for your interest in Tration. Tration is the game of Concentration with a MultiMedia twist. Tration is played with sounds and animations in stead of cards. The shareware version of Tration comes with 12-button and 48-button play modes, and two cartoons and two photographs to uncover. The registered version of Tration includes a two-player competition mode, 12 cartoons and 12 photographs to uncover, and six extra animations.

To register fill out the form below, enclose a check for \$10.00 and send it to:

Tration Order Form -----

Name:

Address:

City, State, Zip Code:

Disk Size: __ 3-1/2 HD __ 5-1/4 HD

Installation Information

Note: If you downloaded Tration from a BBS please ensure you have the file VBRUN300.DLL on your computer before you run setup. You may download VBRUN300.DLL from virtually any BBS in the world. The best place to have VBRUN300.DLL is in the WINDOWS\SYSTEM directory.

1. From the Program Manger select File, then Run.
2. Type b:\setup and select OK. "b:" being the disk drive containing the Tration disk. If your 3-1/2" drive is "a:" then type a:\setup.
3. The setup utility will put Tration in a window named Tration.
4. Double click on the Tration icon and have fun!
