Sound Studio will be expanding soon.    Some of the upcomming features are:

• A more interactive recording interface.
• Sound conversion for Windows WAV files and
• Sound conversion between the popular Mac Sound Files
• Capable of saving files in other formats.
• Sound editing window
• Stereo Recording
• Sound Mixing
• Multi-track editing and mixing
• CD control with linked recording controls for interactive CD sampling
• and more!

SoundStudio Shreware fee WILL increase as the features are added.    Suggestions are welcome. Registered users will get notified by E-mail (AOL    users only)    of updates and are not required to pay any additional fee to register (No upgrade fees ever).
Future version will require registration to work fully!
