

PRINT PERFECT CHRISTIAN ART README

Version 9.0.0

Installing Print Perfect Christian Art

1. Close all programs and dialog windows.
2. Insert the CD into your CD-ROM drive.

Note: If the installation process doesn't begin, click the Windows® Start button and choose **Run**. Click **Browse**, and select your CD-ROM drive from the Look In list. Select **CDSETUP** (or **CDSETUP.EXE**) and click **Open**. If you do not see a file named **CDSETUP**, select **SETUP** (or **SETUP.EXE**) and click **Open**.

3. Follow the on-screen instructions to complete the installation.
4. A program group will be added to your **Start, Programs** menu.
 - Depending on your system, the program group may be inserted in alphabetical order or it may be added to the bottom of your list. If you do not see a program group on your **Start, Programs** menu, look on your desktop for a new shortcut.

Checking for Program Updates

As program improvements are developed, Cosmi may occasionally make software updates available via the web. We recommend that you run the Updater utility periodically to make sure that your installation of Print Perfect has all the latest available fixes and functionality. To run the Updater utility:

1. Close all Cosmi programs.
2. Make sure your computer is connected to the Internet.
3. Click the Windows **Start** button and select:

All Programs > Cosmi > Print Perfect Christian Art > Check For Update.

Technical Support
