ac Net Journal can be downloaded from a number of sites on the Internet, from commercial servers, and from local bulletin boards.

Commercial Servers:
America On Line
Compuserve - Use "Go Downtech"
Eworld - Use shortcut "Shareware", the library path is Software Central / Electronic Publications / Additional Publications

Internet:
Anonymous FTP
Anonymous FTP to ftp.netaxs.com in directory /pub/.   If you cannot find the latest issue of Mac Net Journal at this site, try anonymous ftp to:
amug.org/info-mac/per/macnet/
ftp.hawaii.edu/mirrors/info-mac/per/macnet/
(these seem to be the most responsive ftp mirrors for info-mac)
Gopher server
Access Info-Mac (Sumex-Aim) gopher server then access the directory for periodicals

The 215 area code (Philadelphia region):
Screaming Eagle BBS - (215) 969 - 3384   (Free)
Gateway Proteus - (215) 743 - 8775   (Membership Fee)
Reminder: Screaming Eagle and Gateway Proteus are First Class Servers, so use First Class Client 2.51, available via Info-Mac and Umich in their communication directories.
Also remember that where ever you are, there is probably a local First Class BBS already in place.   Mac Net Journal has been know to pop up on many of these servers.   If you need a phone number for a local First Class

BBS, just email the editors and let us know what country you are in and, if you're in America, give us your area code.
