MadSavers 1 Registration

You can order the complete 'MadSavers 1' Windows VGA screen saver collection which includes the registered versions of these programs:

THING -   All twelve special effects are available, PLUS you can select your own custom Windows or OS/2 bitmap to display!

JAZZ -   Color, COLOR, C O L O R !!!   You can select any combination of objects from Balls, Bars, Diamonds, Ellipses, Octagons, Squares, Stars, and Triangles.   These objects are drawn all over your screen with beautiful color blends.   Options to set delay rate, draw count, and random or sequential drawing order.

SWIRL -   Watch your screen come alive with vibrant palette animation! Displays a cool swirl image and rotates palette colors through the image.   Options to select color gradients (six to choose from) and delay rate.

View the MSAV1.BMP file (included in the MSAV1.ZIP file) for sample screens of the JAZZ and SWIRL screen savers.
