

## ☺ WordMacro.DarkSide1B ☺

DarkSide1 is Back !!!

This is a second version de my wordmacro virus ☺

### C☺☺L Features :

- Full error fixed ☺
- Spread in Word 6.☺, Word 7.☺ and MacWord.
- Multiplatform and Multiversion ☺
- No dangerous ☹ ... I'm a nice guy !! ☺
- Uncleanable manually to Word Users ☺ you need, by example, a Heuristic Anti Macro Virus (Don't use F-MacroW, VDOC and other shit ☹) to clean it ☹
- Disables ToolsMacro and FileTemplate (Word version in english ☺)
- Disables HerramMacro and ArchivoPlantillas (Word version in spanish ☺)

And remember :

DarkSide1 whitout and computer is like Billy The Kid without a gun !! ☺

Enjoy !! ☺

DarkSide1 ☺
