To become a registered user of **DoDi's Tools**, please fill in the following form, print it out and send it together with your check or money order to:

Dr. H.-P. Diettrich
Weissenburgstr. 2 c
D-70180 Stuttgart
Germany

Or, if you have access to CompuServe, GO SWREG and look for VBDIS3E (ID 7807).

You will receive a copy of the latest version of the program (**without** shareware limitations of course) and documentation. You may **not** distribute copies of the **registered** version.

Sorry, I can **not** accept payment with credit cards, and the money exchange takes about 30% of a payment in a foreign currency (not DM), so it may be cheaper to join CompuServe and register the programs there.
