Limited Distribution License:

The author hereby authorizes on-line distribution only in accordance with the following restrictions. Disk Vendors and Distributors should refer to the VENDOR.WRI file for complete license information.

The software package is defined as containing all the material listed in the PACKING.LST text file. If any files listed in the PACKING.LST text file, or the PACKING.LST file itself, are missing, then the package is not complete and distribution is forbidden. If this is the case, please contact the author to obtain a complete package suitable for distribution.

- o BBSs located outside of the Shareable Area may NOT distribute any part of the software package. The Shareable Area is defined as the United States, Canada, Australia and New Zealand.
- o The software package - including all related program and documentation files - CANNOT be modified in any way (other than that mentioned in the following paragraph) and must be distributed as a complete package, without exception.
- o Many BBSs customarily add a small text file (advertisement) to each archived file. This text file describes the BBS and tells people that the file was downloaded from that particular BBS. Other BBSs add a small one-line message with their BBS name and phone number into the compressed file, which will display when the file is uncompressed. Either of these methods of mentioning your BBS **are acceptable** and may be used, provided the software package is otherwise unmodified and complete.
- o You may not use, copy, rent, lease, sell, modify, decompile, disassemble, otherwise reverse engineer, or transfer the software package except as provided in this agreement.
- o **U.S. Government Information:** Use, duplication, or disclosure by the U.S. Government of the computer software and documentation in this package shall be subject to the restricted rights applicable to commercial computer software as set forth in subdivision (b) (3) (ii) of the Rights in Technical Data and Computer Software clause at 252.227-7013 (DFARS 52.227-7013). The Contractor/manufacturer is Daniel M. Rose, P.O. Box 328, Heyburn, ID, 83336-0328, USA.

All rights not expressly granted here are reserved to the author.
