## *For Windows*

This document contains the following information:

- Program Description
- Installation Instructions
- Registration Options
- License Agreement and Warranty

## I. Program Description

Thank you for evaluating **BlackJack Professor**. You will find that it's the most powerful and easy to use blackjack learning tool in existence. An intuitive Windows interface lets you concentrate on becoming a better blackjack player, rather than fussing with the intricacies of a complicated computer program.

The **BlackJack Professor** can teach you Basic Strategy, professional level systems, or your own strategy ideas. Here are some of the features that the program offers:

- An on-line Help system
- User defined counts and betting (Expert Version only)
- User configurable strategy tables (Expert Version only)
- An ace side-count
- Basic Strategy included
- Hi-Opt I strategy included (Expert Version only)
- LVC Point Count Strategy included (designed using the Expert Version)
- Hundreds of rule variations
- *Error warning* for when playing mistakes are made
- *Auto Deal* (to run simulations, or practice card counting)
- A *View Box* (keep track of the count, money, cards left, etc...)

To run **BlackJack Professor**, you will need a computer capable of running the Microsoft Windows operating system.

## II. Installation Instructions

If you are installing the program from a floppy disk:

- 1) Using the Windows Program Manager:
- 2) Choose **File**, then **Run**
- 3) Type [X]:**setup**, then **OK** ( X is the drive where the floppy disk is located)

If you downloaded the archived file 'BJ\_PROF.ZIP' from a bulletin board:

- Use the latest version of PKUNZIP to unzip the file
- You will need the file VBRUN300.DLL for **BlackJack Professor** to run.

- 1) Place BJ\_PROF.ZIP in a temporary directory and unzip it.
- 2) After the file is unarchived:
- 3) Using the Windows Program Manager:
- 4) Choose **File**, then **Run**
- 5) Type [X]\**setup**, then **OK** ( X is the directory path where the files can be found)

### III. Registration Options

Thank you for evaluating **BlackJack Professor!** Select *Register* from the menu bar to bring up a registration form. If the *Register* option does not exist, just press the 'R' key while at the main screen. Or if you wish, print out the file 'REGISTER.WRI', provided with the program.

LVC Software will pay the sales tax for Hawaii residents.

The *S & H, and Disk* fee is optional. However, if you choose not to include this fee, you will be sent a registration code ONLY. It will be assumed that you are registering the software copy already in your possession.

There are two separate ways to pay for the program:

#### Payment Method I

Send a check or Money order to:

LVC Software  
Century Center, Suite 3557  
1750 Kalakaua Avenue  
Honolulu, HI 96826  
USA

#### Payment Method II

LVC Software donates approximately one of every seven registrations to local charities. As an optional form of payment, you may donate the cost of registration to your favorite charity.

To do this, send a photocopy of a tax receipt or canceled check, written to your favorite charity. The tax receipt or check must meet these guidelines:

- It must be dated within the last 60 days.
- It must be for AT LEAST the amount of the price of the software desired.
- The charity must be established. (i.e. *United Way*, etc...)

Write "PHOTOCOPY ENCLOSED" on the registration form, and send to:

LVC Software  
Century Center, Suite 3557  
1750 Kalakaua Avenue  
Honolulu, HI 96826  
USA

The following restrictions apply:

- The offer is good for only one copy of software.
- The offer does not include the *S & H, and Disk* fee.
- All submissions are subject to approval and can be rejected for any reason.
