TRY THESE GREAT PROGRAMS AVAILABLE IN THE MSWORD (GO MSWORD) FORUM
ON CompuServe!

Title and Price (US \$):

3.5" Disk Template: Allows the user to quickly produce 3.5" Labels. Any types may be used. Labels right out of the disk box work fine. Has macros and a toolbar of its own for great ease of use. \$5. Included in September 1994 CompuServeCD.

CD Labeler Template: Allows the user to produce optionally double-sided CD Jewel Box (Cover) inserts for CD-ROMS, Audio CDs, and many others. Has macros and a toolbar of its own for easy use. \$5. Included in September 1994 CompuServeCD.

Play ANY Multimedia AMF: Allows the user to optionally locate a specific multimedia file and play it within Word. Easy to use button interface makes multimedia fun and easy. Has its own on-line instructions. \$10

Full Set of Colored Toolbar Icons: Jazz up the dull Word Work Place. With this set of colored toolbar icons, one can liven up presentations, and enhance productivity. Comes with 3 full color toolbars filled with icons. \$10. Included in September 1994 CompuServeCD.

2 Clock and Control Option Macros: This two macro package allows the user to easily retrieve Windows' clock and calendar functions for easy access. It allows, also, the setting of the time and date. The other macro allows the user to install fonts, drivers, sounds, and any other options from Inside Word. It also allows easy shelling out to DOS from inside Word. \$5

WPM (Words Per Minute): This macro finds the words per minute that one can type. It is based on four sample passages which are timed for typing. It will only accept 100% correct typing every time. Great for businesses and secretaries. \$5

Exit Master: Allows fast exiting/restarting of Windows, rebooting computer, exiting to DOS, and exiting of Word. Easy to use and very fast. \$6

Foreign Language Translator: French Dictionary: This macro/program allows the user to quickly look up a word in French or English and translate it into English and French, respectively. It also allows the pasting of the words with their appropriate accents right into the current document. Easy to use and great for everyone. Can be easily adapted to other languages. \$15. Mentioned in August 1994's CompuServe Magazine.

The Ultimate Easiest Fxer: This macro allows the current document to be faxed through WinFax (any version). Easy to use and it has its own toolbar. \$5

Alarmer AMF: This macro alarms the user of specified times that he/she specifies. Easy to use and effective. It even allows the incorporation of Multimedia into the alarm. \$5

File Lister: This macro allows the user to retrieve filenames and paths of all the files on a disk. It is used mostly with floppy disks and works well with the 3.5" Disk Labeler Template. Has its own font size selector. Easy to use. \$5

Floppy File Information Lister: This macro allows the user to retrieve filenames, creation dates, and file sizes in bytes of all the files on a disk. It is used mostly with floppy disks and works well with the 3.5" Disk Labeler Template. Has its own font size selector. Easy to use. \$5

AMF File Runner: This macro/program allows the user to search and find a file to run. It works much like the File Run command in Program Manager. Easy to use. \$7

Business Cards AMF: Allows the creation of business cards catered to the user's tastes. Has macros to copy one card to the rest of the cards. Designed for ten card stock. \$5

Toolbar Doubler: Allows two Word toolbars to occupy the space of one. Very effective and easy to use. Now fully customizable. Just press a button. \$15

MiniDex AMF: (telephone/rolodex program): Store and dial phone numbers for quick access. Allows the storage of phone numbers in a rolodex-like storage device. A great business tool. \$10

VHS Labeler: Without special labels, this program creates custom-fitting VHS video tape labels. Great for private companies or home use. Add logos, pictures, etc. for great results. Allows production of more than on set of the same label. \$5

Total System Information: Produces a dialog box with the current system information. Describes many aspects of the system you use, including a list of hidden windows or programs. Easy to use and a great tool. \$6

Chicago (Win 4.0)- Like Window Titrer: Allows a temporary change of the Window Title in Word to the title of the document rather than the filename. Can also display other information. Works like Windows 4.0 (Chicago) will work. It allows the superficial breaking of the 8 character filename limit. \$6

AMF Word Lock Security: Lock Word tight from prying eyes. Can only be opened with the correct password or MASTER key. Reports all tried break-ins in written formats. Great security was never so easy. \$6

Hangman AMF for Word 6.0: Are you bored at work or at home? Try this game. Now 300% faster, with a larger selection of words. Works like any Hangman Game. Fun and easy to use. \$10

WinFax Pro 4.0 and Word 6.0 DDE Fax Macro and Template: Faxing has never been so easy or convenient. Takes full advantage of WinFax Pro 4.0's vast programming options. Now allows storage and changing of USER information. \$10

Wordware v.2.0 for Word 6.0 for Windows: An even better selection of macros and templates. Has usage of Windows' own dialogs, and specialized DLLs for truly excellent functions. Has a Multimedia Player which will play all multimedia files, a quick command line, Windows Exit/Restart/Reboot Computer, Lock, Windows Exit, Print Summary Information, the Chicago-Like Windows Titlers, WinFax Macros, and many, many others- all in one compact package. More than 45 macros and templates. (See ww2.zip in the MSWORD forum) \$39.95; \$15 for Upgrade. Included in September 1994 CompuServeCD.

Wordware v3.0 for Word 6.0 for Windows: The hottest collection of macros and templates. Over 55 macros to choose from. Everything from copying a file, to managing your projects to managing your business contacts. A full-fledged Personal Information Manager is included. A full-function CD Player is also included. Wordware greatly enhances Word's native capabilities. Has a Multimedia Player which will play all multimedia files, a quick command line, Windows Exit/Restart/Reboot Computer, Lock, Close All and Exit, Print Summary Information, the Chicago-Like Windows Titlers, WinFax Macros, and many, many others- all in one compact package.
