

This is pretty simple but it should be enough to get ya started:-)
If I get time I will add more!!!

Cum on feel the noise-Quiet Riot

Verse:

G B E
So you think I've got a funny face, well I tell you honey
A G D A G D
I don't know why, I don't know why
G B E
So you say my singing's out of time, well it makes me money
 A G D A G D
And I don't know why, and I don't know why

Bridge:

E D
Oh no

Chorus:

G F# E
Cum on feel the noise
G F# E
Girls rock the boys
A G D
We'll get wild wild wild
A G D
We'll get wild wild wild

G F# E
Cum on feel the noise
G F# E
Girls rock your boys
 C B A G D
We'll get wild wild wild

The rest of the song is pretty much the same. Have fun:-)
